Our Mission

The Ostrander Youth Athletic Association (OYAA) was started to enable every kid an opportunity to play the sport that they love. We on the OYAA Board strongly believe that sports, such as baseball, helps to mold fundamental concepts the children will use throughout the rest of their lives. Teamwork, Discipline, Character and Sportsmanship are only a few of the many concepts we strive to engrain in the children that are part of the program. Every coach, umpire, volunteer and OYAA Board Member is governed by these values and is expected to lead by example. TEAM - Together Everyone Achieves More...

OYAA Board Members

Dustin Hamby (President), Robin Ruff (VP of Softball), Luke Walker (VP of Baseball), Erin Schnabel (Secretary), Dan Kurtz (Treasurer)

Our Vision

Our program proudly serves over 150 youth athletes who represent the next generation of our great community. As with any other community, we would like to see it continue to grow and flourish. The goal of OYAA, and the OYAA Board, is to build the program, invest in the community and expand our sports offerings.

How You Can Support Us

While fundraisers and donations help to run the annual operations of the program, it's from businesses and organizations like you that really promote our growth. Your contributions have a direct impact on the program and without you, we wouldn't be here! As a sponsor, you'll gain a direct connection to parents, athletes and fans where you can extend special offers, discounts and messages of encouragement.

Completed/Upcoming Projects

Curious about where previous sponsorship funds have gone or what your money will be used for? No problem! We believe in full transparency and building integrity within our community. We'll show you what we've accomplished and what we have planned. In addition to the projects below, we are introducing a discount program for our hard-working volunteers. All head coaches will be able to register their child at no cost.
